METHODS TO TRACK EVENT SALES

Physical Tracking

- Keep track of how many boards are sold at the event
- Record this in an Excel spreadsheet for each event

Coupons

- Create event-specific coupon codes discount to track online sales
- Have QR Code that sends them to a form to enter email and/or phone
- Ex: "VOLSLD"

Event-Specific Websites

- Create a QR code for the event that links to an event-specific website
- Track website clicks and products sold

RECOMMENDATION: **CREATE** COMMUNITY ENGAGEMENT & AWARENESS **THROUGH** **SOCIAL MEDIA**

Consistent Brand Content

Build brand identity and awareness through **organic, short-form social** content that highlights community, laughter, and friendly competition

Partner with Micro- Influencers

Increase awareness by partnering with relatable creators who connect authentically with Lawn-Die's target audiences through user-generated content.

BUILD A CONSISTENT & AUTHENTIC BRAND

COMMUNIT **Y**

Brings people together in shared moments

UNIVERSAL

Played by anyone, anywhere

PORTABLE

Fits any lifestyle, from beaches to tailgaters to family gatherings

WHY THESE THEMES DRIVE ENGAGEMENT ON SOCIAL MEDIA

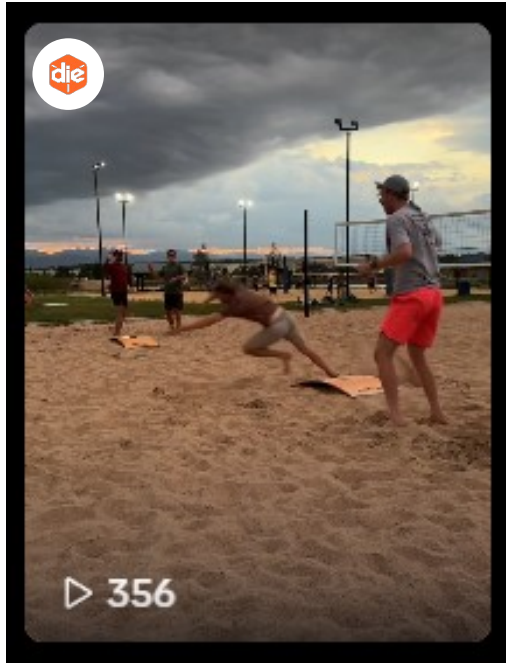

Consumer Behavior

- **59%** of outdoor recreation consumers rely on friends & family for inspiration
→ Content must feature group play.
- Gen Z & Millennials prioritize **shared experiences**, making social and community-focused themes more engaging.

Social Media Trends

- **73% of Gen Z** and **62% of Millennials** discover new products on social media → visual storytelling matters.
- **Short-form videos deliver the highest engagement** across all platforms.
- **Authentic, casual clips outperform high-production ads**, especially for Gen Z & Millennial audiences.
- **Content** showing **friend groups & families** performs best, aligning perfectly with Lawn Die's social nature

CONTENT CENTERED AROUND SHORT-FORM VIDEOS

TikTok, Reels, & Shorts

- “Challenge your friends”, “Crazy Moments”, “How to play” demos
- Tag @Lawndieco, #tailgate (4 billions views on tiktok)
- #Lawngames (79.5k Posts)

People & Setting Matters

- Promote content that features tailgates, parks, beaches, college quads
- Content including friends groups and families perform better

Cost Effective Production

- Hire intern or freelancer to produce a Lawn-Die-made content
- Can be done at a monthly cost **under 1K**

PRIORITIZE PARTNERSHIPS WITH MICRO- INFLUENCERS TO BUILD COMMUNITY

Tier	Following	Cost per Instagram Post	Cost per TikTok Post
Nano	1K - 10K	\$10 - \$100	\$5 - \$25
Micro	10K - 100K	\$100 - \$500	\$25 - \$125
Mid-Tier	100K - 250K	\$500 - \$5,000	\$125 - \$1,250
Macro	250K - 1M	\$5,000 - \$10,000	\$1,250 - \$2,500
Mega	1M+	\$10,000+	\$2,500+

WHY MICRO-INFLUENCERS WORK

Higher Engagement at Lower Cost

Micro-influencers (10K - 100K followers) generate **5-8%** average engagement, vs 2-5% for macro-creators——

Trust Over Traditional Advertising

68% of consumers trust influencer opinions more than brand advertising

Proven ROI for Outdoor Brands

Nano and micro-influencers deliver the **highest ROI** for lifestyle and outdoor brands, due to lower cost and niche audience alignment

Micro-influencers maintain **3-4 times higher engagement** on both Instagram and TikTok, offering Lawn-Die greater visibility per dollar spent

INCLUDE **NIL** PARTNERSHIPS

WHY

College Athletes are Highly Effective in Influencing Consumer Behavior

Target Younger Demographics

Outperform Standard Influencers
1.2x on Instagram and 2x on
TikTok

HOW

Invest in Rising Stars (Micro-Influencer Following Range)

Partner in the Preseason, 42% Cheaper than In-Season Deals

Work Directly with Specific Teams

PARTNERING PROCESS FOR INFLUENCERS

01

STEP 1

Identify College Athletes & Creators (regional lifestyle, outdoors, sports)

02

STEP 2

Partnership Offer: Free Board + Cost per post

03

STEP 3

Performance Tracking: Measure engagement, reach, and referral codes to reinvest in top performers

RISKS & MITIGATIONS

SOCIAL MEDIA PRESENCE

- ◆ Consumers don't engage with content
- ◆ Partnerships don't lead to additional sales

Give influencers creative control

EXPOSURE $\neq$ SALES

- ◆ Events do not result in sales increase
- ◆ Awareness and interest does not lead to sales

Learn and adapt to improve events

ECONOMIC CONCERNS

- ◆ Inflation would cause prices to rise and reduce target market
- ◆ Tariffs can raise costs, reducing profit margins

Review financials frequently
